Public Notification of Planned Activity

**Public Notification of Planned Activity
September 17, 2021**

In accordance with Paragraph 1 of the South Carolina Department of Health and Environmental Control (“DHEC”) Order dated May 7, 2021 and New-Indy Catawba LLC’s (“New-Indy”) Public Notification Plan dated May 17, 2021, New-Indy presents the following Public Notification.

Description of Planned Activity:

New-Indy is planning to conduct routine maintenance of the steam stripper and associated heat exchangers to remove scaling and fouling. During this maintenance period, the steam stripper will be removed from operation. New-Indy has installed a monitoring system so that New-Indy can detect H₂S early and take all steps necessary to control the generation and release of H₂S. Further, New-Indy has taken all steps recommended by consultants to minimize generation of and to control H₂S.

Purpose of Planned Activity:

To restore stripping capacity and improve reliability.

Date of Planned Activity:

New-Indy expects this activity to commence on September 18, 2021 and continue until September 26, 2021.

Contact Information:

New-Indy may be reached at catawba.info@new-indycb.com concerning this activity.
