Public Notification of Planned Activity

Public Notification of Planned Activity
January 21, 2022

In accordance with Paragraph 1 of the South Carolina Department of Health and Environmental Control (“DHEC”) Order dated May 7, 2021 and New-Indy Catawba LLC’s (“New-Indy”) Public Notification Plan dated May 17, 2021, New-Indy presents the following Public Notification.

Description of Planned Activity:

New-Indy intends to conduct a series of stripper optimization trials.

Purpose of Planned Activity:

To help New-Indy identify optimal stripper operating conditions. During this planned activity, New-Indy will be operating a condensate monitoring system and condensate pretreatment system to proactively mitigate and take all steps necessary to control the generation and release of hydrogen sulfide.

Date of Planned Activity:

The work will commence on or about January 25, 2022 and continue until complete, which New-Indy estimates will be approximately four days.

Contact Information:

New-Indy may be reached at catawba.info@new-indycb.com concerning this activity.
