**Updated Public Notification of Unplanned Activity  
July 12, 2022**

In accordance with Paragraph 1 of the South Carolina Department of Health and Environmental Control (“DHEC”) Order dated May 7, 2021, and New-Indy Catawba LLC’s (“New-Indy”) Public Notification Plan dated May 17, 2021, New-Indy presents the following Public Notification.

**Description of Unplanned Activity:**

The steam stripper unexpectedly shut down around 2:30 a.m. on July 12. New-Indy is troubleshooting but has not determined the cause as of 7:30 a.m. on July 12. New-Indy expects that the outage could extend into tomorrow and possibly longer, pending determination of the root cause and necessary corrective actions.

**Purpose of Activity:**

To diagnose cause of unexpected shutdown and to conduct maintenance on the steam stripper. During this unplanned activity, New-Indy will be operating a condensate monitoring system and condensate pretreatment system to proactively mitigate and take all steps necessary to control the generation and release of hydrogen sulfide.

**Date of Activity:**

The steam stripper shut down unexpectedly on July 12, 2022. Maintenance work was completed and the steam stripper resumed operating on July 12, 2022, at 6:45 p.m. EDT.

**Contact Information:**
