Catawba, South Carolina
Public Notification of Unplanned Activity

**Updated Public Notification of Unplanned Activity
October 11, 2022**

In accordance with Paragraph 1 of the South Carolina Department of Health and Environmental Control (“DHEC”) Order dated May 7, 2021, and New-Indy Catawba LLC’s (“New-Indy”) Public Notification Plan dated May 17, 2021, New-Indy presents the following Public Notification.

Description of Unplanned Activity:

New-Indy will take the steam stripper out of operation to perform unscheduled maintenance activities.

Purpose of Activity:

To conduct maintenance on the steam stripper. During this unplanned activity, New-Indy will be operating a condensate monitoring system and condensate pretreatment system to proactively mitigate and take all steps necessary to control the generation and release of hydrogen sulfide.

Date of Activity:

The steam stripper will be taken out of operation on Wednesday, Oct. 12, 2022, for an expected duration of 60 hours. New-Indy will update this notice once the maintenance is complete, and the steam stripper is returned to service.

Contact Information:

New-Indy may be reached at catawba.info@new-indycb.com concerning this activity.
